Spa News Flash #1 - June '06

Our Most Important News! Guess What It Is?

Well, you did guess it, we are sure. The top news is: after almost 4 months of hard work we are open! We have been working hard to create a space for you to enjoy, and sincerely hope it meets your approval. So, spread the good news! Please tell your friends about the brand new Spa Space, either by telling them about your Spa Space experience, or by sharing this newsletter. Your friends will surely thank you, and so will we!
In fact, when your friend books an appointment and lets

us know that you recommended our services, we will promptly take a note of it, and add one bonus point to your account for each referral to thank you for your recommendation (please call for details). Now, that's a real added value!

Again, welcome to our new spa, and thanks to all of our loyal clients for your patience and words of encouragement while we worked on opening!
See you again soon!

So Nice - But What Are They?

During our first weeks of operation, we were asked numerous times about our unique interior decor. Perhaps it will be best to answer these questions quickly in this news flash.

The rare, hand-made furniture comes from Syria, in the Middle East. We picked traditional Arabic styles for several breath-taking accents in our spa:

The incredible mosaic work of our console, bathroom tables and the coffee table in our lounge area is all done by hand, using fine rosewood, olive wood, walnut, lemon wood, peach wood, and genuine mother of pearl. Amazing precision and experience are required for this kind of work, and Syria is famous for it. This style evolved in Syria centuries ago from ancient Roman stone mosaics.

Our painted doors and bathroom mirror are derived from beautiful window shutters in opulent oriental palaces. Indeed, they are worthy of a prince, lending our spa their exquisite elegance, class and warmth.

The solid walnut table in our reception area is finely carved and decorated with three rare kinds of mother of pearl. One table like that takes about two months of work!

A Word Of Thanks

We need to express here our gratitude to our designers Margaret from Arabian Nights Imports and Monika from SewArt for their valuable advice, expertise and services. The oriental furniture was supplied by Arabian Nights Imports (arabiannights.ca). Custom draperies and accent pillows were made by Monika from SewArt (tel. 595-7848). Big thanks go also to Royal Holographic (holograms.bc.ca) for a limited edition art hologram, and to Derek Galon of Victoria for his custom art photography.

New Line Is Coming

These of you who have already visited us know that we offer the exquisite Guinot Institute products for proven results. They are among our clients' favourites, and for good reason, as they help you look and feel your best. However, if you wish to try something new, or to supplement your current skin care regimen, we have good news: we will soon offer Wilma Schumann cosmetics – another top European line you will love.

And, The Winner Is...

As you may well know, one of the attractions at our Grand Opening Event was the draw for an exquisite FREE treasure chest full of the finest Guinot cosmetics. We enjoyed more guests than expected, and it made the draw participants even more excited about their chance to win. The lucky winner was Ms. ZsaZsa Marc, and we congratulate her once again! (Photos from opening here).
